

Aquatics Inclusion Services

What: Aquatics Inclusion Services provides additional support to those with disabilities wanting to participate in group swimming lessons.

How: Schedule a free in-water assessment to help us evaluate the skill level and specific needs of the swimmer prior to enrolling in swimming lessons.

Why: We want every swimmer to be as successful as possible while participating in Salt Lake County Parks & Recreation swimming programs!

To get started speak with any of our facilities and request inclusion services or contact Rebecca at 385-468-1681 or rbarley@slco.org

Visit our website at slco.org/recreation/adaptive/aquatics/aquatics.html

For additional inclusion opportunities for people with disabilities contact Ashley at 385-468-1520 or abowen@slco.org.
