Marv Jenson Recreation

## Jr. Miners & Jr. Silverwolves Track Clubs

The Jr. Miners and Jr. Silverwolves Track and Field clubs offer instruction to girls and boys in track and field events during June and July. The goal is to develop confidence and skill development through participation in our program. The teams will practice 2 times a week and compete in 4 track meets with qualifying runners advancing to the All-County Meet. Participants may choose from running events in the sprints, long distance, hurdles, and select relays. They will also have the chance to compete in field events such as shot put, long jump, and high jump.
