- **Parents and Participants:** Youth basketball's Fall League will begin the week of Sept. 16th. All divisions will receive their jerseys and schedules at your first team practice or game. After Friday, Sept. 5th you can check our website to see what team you are on and who your coach will be. Go to www.recreation.slco/holladaylions > Youth Sports, > Basketball > Division > and click on the "Player Rosters" link. On this page you can also find your team's schedule. **You should hear from a coach before Sept. 8th to inform you of your team's first meeting (practice/clinic). If you have not heard from a coach by Sept. 8th, please visit our website for practice and game schedules. You can also see what team your child is on with the posted rosters. If you have questions the website cannot answer, feel free to call Holladay-Lions front desk at 385-468-1700 (ext. 0).**
- **Teams:** This is a non-competitive league. Whole teams can register if you have a full team of ten already formed. There is a maximum of ten (10) players on a team. If you are registering a full team and the team has played "super league or AAU" basketball we ask that they register up one or two divisions. Please remember this league is not a competition league, it is recreation league. No more than 3 super league players can play on a recreation team.
