### **Hello Penguins Swimmers and Families!**

It's back to school and fall sports — we'd like to welcome (back) all our new and returning Penguins swimmers! Hope everyone had an enjoyable summer season and is ready to go back to school and have fun swimming with Penguins!

This month we don't have any swim meets. The first meet of the fall/winter season will be on Saturday, October 14th at Fairmont Aquatic Center. Put it on the calendar now, and keep an eye out for meet sign-up sheets in the coming month.

Thursday technique classes will pick back up on Thursday, September 7th. If your swimmer is interested in signing up for technique classes, they must also be signed up for at least one day of regular Penguins practices. Thursday technique classes are an excellent way for swimmers to get in a little extra stroke work and refine their stroke technique.

Parents, as always, please be sure to register your swimmers for practices each month. We need to have accurate rosters and registration information for every swimmer. And while you're at the front desk, please verify your email address — we want everyone to receive the new month's newsletter, calendar, and meet information.

As always, thank you for coming to practices regularly and on time! Please don't hesitate to contact us with questions.
