

## Ski - Skill Levels

### **Never Skied**

Never skied before. Introduction to the sport including gear, moving on flat terrain and using the lift.

### **Novice**

Has ridden a lift and can navigate easier Green slopes and runs. Can control speed and make rudimentary changes in direction.

### **Intermediate**

Able to connect turns and control speed by turning. Parallel finish to turns on more difficult Green runs. Beginning to venture onto easier Blue runs.

### **Advanced**

Can make a series of connected shorter parallel turns using a pole touch between turns. Able to vary speed in response to changing terrain and conditions. Is comfortable on Blue and Black groomed runs. Enjoys a variety of different snow conditions and terrain.

## Snowboard - Skill Levels

### **Never Snowboarded**

Introduction to the sport including gear, moving on flat terrain and an introduction to using the lift.

### **Novice**

Has ridden a lift and can navigate easier Green slopes and runs. Can do a heel side or toe side slide.

### **Intermediate**

Able to link heel and toe side turns together. Beginning to vary turn shape to control speed. Comfortable on all Green Runs and most Blue runs.

### **Advanced**

Able to link turns together consistently on all Blue and Black groomed runs. Learning to make carved turns. Can do basic tricks and maneuvers. Comfortable in a variety of snow conditions and terrain.
