

County Ice Center

Youth Drop In

- Youth drop in sessions are an opportunity for players mites-bantams (ages 6-15) to work on their hockey skills and scrimmage.
- Parents and coaches are encouraged to be on the ice with the players to help supervise these sessions.
- By USA Hockey rules, players younger than age 18 are required to wear a full hockey equipment, including helmets and face masks.
- All adults are required to wear helmet and skates while on the ice.
- Players must attend the session designated for their age group. (peewees and bantams may not attend the time designated for mites and squirts)
- Privately contracted coaching is not to take place during these sessions.
