Contractor Selection	February 2010
Ground Breaking	March 2010
Grand Opening	July 2011

## CAFÉ

### Community Center Hub

Mather Lifeway's Café Plus Model - Changing food services into an interactive community where bright colors and contemporary furniture and lighting create an inviting environment to host classes, activities and promote engagement.

This project incorporates ideas from the Mather Lifeway's Café Plus model (shown above) to create a café for all ages through Salt Lake County's Aging Services.
