

Hansen Planetarium Historical Records

I. Administration

Series: PL – 014. Director Mark Littmann's Files

Boxes: ML – 1 to ML – 2

Description: This series contains correspondence and other papers collected by Director Littmann, 1977-1983. Some topics include: management of the Planetarium, Hansen Planetarium Foundation, Planetarium priorities, various Planetarium programs (Publications, Education), and correspondence between the Director and various Planetariums.

Arrangement: Correspondence is arranged chronologically in box ML – 1. Additional material is (separately) arranged chronologically in box ML – 2. This arrangement reflects the original order of the records.
