

# Less paper - more security

## EMI Health is now paperless. Your Explanations of Benefits (EOBs) are available online.

**It's convenient:** No paper to store - or misplace. Your statements are easily accessible online, and you can get them even when you're away from home.

**It's safe:** We use the latest encryption technologies to ensure a secure environment, and there's no chance of an EOB getting lost in the mail or picked up by someone else.

**It's responsible:** Reducing paper consumption and waste is a simple way to have a huge impact on the environment at large - and reduce clutter in your personal environment.
