Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$375 person/\$750 family for <u>network providers</u> . \$750 person/\$1,500 family for <u>out-of-network providers</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, they have to meet their own individual <u>deductible</u> until the overall family <u>deductible</u> amount has been met.
Are there services covered before you meet your <u>deductible</u> ?	Yes. Some <u>network provider</u> visits or preventive care received from <u>network providers</u> are not subject to the <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	No	You do not have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$2,625 person/\$5,250 family for <u>network providers</u> . \$3,750 person/\$7,500 family for <u>out-of-network providers</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges, and healthcare this <u>plan</u> doesn't cover. See Benefits Summary.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="http://www.pehp.org">www.pehp.org</a> or call 1-800-765-7347 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your plan pays (a balance bill). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.
