“Improving Lives through People, Parks, and Play”

Salt Lake County Plus One Pass

The **Plus One Pass** allows individuals with a **permanent disability** to purchase a Salt Lake County fitness pass at a discounted rate and bring one assistant with them at no additional charge. This pass provides access to all Salt Lake County Fitness & Recreation Centers, including land and water aerobic classes, indoor and outdoor pools, and ice skating rinks. There are a variety of pass options to meet individual and family needs.

The assistant may participate in all activities that the owner of the Plus One Pass is doing, but this is not a requirement. The assistant must, however, stay within a reasonable proximity to provide any assistance required to the owner of the Plus One Pass. The assistant can vary each visit, being a friend, sibling, staff, spouse, etc.

The Pass is good for one year from the date of purchase. Monthly and daily rate options available.

For detailed information or other questions, please contact your local Salt Lake County Parks & Recreation facility.

An individual with a **permanent disability** can provide one of the following pieces of documentation to purchase a Plus One Pass that permits the holder to bring an assistant with them at no additional cost.

1. A statement signed by a licensed physician stating that the applicant has a permanent physical, mental, or sensory impairment that severely limits one or more major life activities. This letter does not need to indicate the specific disability, just that it is permanent.
2. A document issued by a federal agency, such as the Veteran's Administration, which attests that the applicant has been medically determined to be eligible to receive federal benefits as a result of disability. Other acceptable federal agency documents include proof of receipt of Social Security Disability Income (SSDI) or Supplemental Security Income (SSI) due to disability.
3. A document issued by a state agency, such as the vocational rehabilitation agency, which attests that the applicant has been medically determined to be eligible to receive that agency's benefits or services as a result of medically determined permanent disability. Showing a state motor vehicle department disability sticker, license plate, or hang tag is not acceptable documentation.

In accordance with the requirements of the title II of the Americans with Disabilities Act of 1990, Salt Lake County Parks and Recreation does not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs or activities. Accommodations will be provided upon request, free of charge. To ensure a prompt response, please submit your request at least 48 hours prior to your anticipated need. To request an accommodation or for further information, contact Ashley at 385-468-1520 or abowen@slco.org.
