

PARTNERSHIP FOR A GREATER SALT LAKE

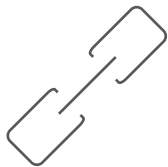

ESTABLISH A COMMON AGENDA

All participants share a vision for change including a common understanding of the problem and joint approach to solving it through agreed upon actions.

DETERMINE SHARED OUTCOMES & MEASUREMENTS

Collecting common data and measuring results consistently ensures that efforts remain aligned and participants hold each other accountable.

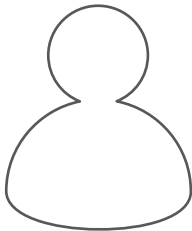

MUTUALLY REINFORCE ACTIVITIES

Participant activities are differentiated while still being coordinated through a mutually reinforcing plan of action.

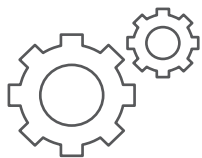

OPEN & CONTINUOUS COMMUNICATION

Consistent and open communication builds trust, assures mutual objectives and creates common motivation.

PROVIDE BACKBONE SUPPORT

Creating and managing collective impact requires an organization, in this case Salt Lake County, that is willing to provide a central supporting infrastructure and dedicated staff.
