

Running a Data Quality Report

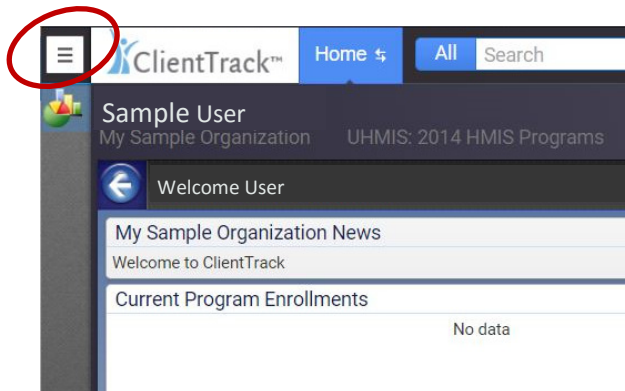

INSTRUCTIONS FOR GENERATING A DATA QUALITY REPORT FROM CLIENTTRACK

The following instructions will guide you through locating and running a Data Quality Report. If your report appears incorrect or incomplete please contact the HMIS team.

STEP 1: Log into ClientTrack

STEP 2: Locate the Home tab in ClientTrack and select it:

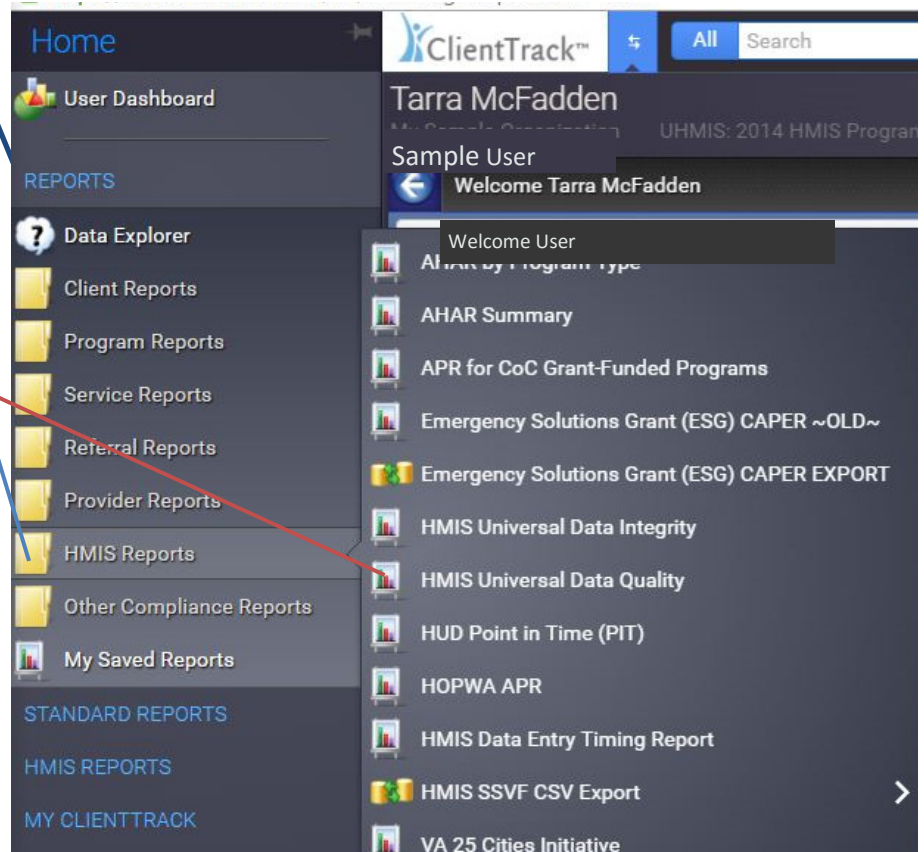

This will access the reporting features in the system, including the APR.

STEP 3: Locate and click on the reports portal in the navigation pane.

Locate the subfolder named **HMIS reports** and then click on the drop down to select **HMIS Universal Data Quality**.

The next step is to select your parameters and run the report for analysis.

STEP 4: The Universal Data Quality report relies on a set of parameters or report settings in order to produce results: The basic report settings that must be included are the **Date Range, Report Type, Organization, Program, and Grants**. If you do not know your report settings please contact your HMIS administrator for your unique configuration.

Saved Report Settings - To use previously saved report settings, select the desired settings description. To save the current report settings, select **Save Settings**, type a description of the settings in the **Save As** field, select the report criteria, and run the report. The saved settings will appear in the list the next time you access this screen.

Saved Report Settings: -- SELECT --

Date Range - Indicate the time period for this report. Only records that fall within the date range you select will be included.

Predefined Date Range: Current Month
 Enrollments Between: 04/01/2016 and 04/30/2016

Report By - Select **Begin Enrollment** to filter the report for enrollments that started within the report date range. Select **Exited** to filter by the program exit date. Select **Enroll at any point** to show all enrollments during the report date range.

Report Type: Begin Enrollment

Organization(s) - Indicate which organizations should be included in the report by selecting each organization, or click the icon to select all. Note: The list only shows organizations you are authorized to view.
