**New apartment project in Magna Township boosts jobs and economic development**

**Magna Township, Utah** – New jobs and spending are coming to Magna as a 288 unit, competitive rate apartment complex begins construction. The Oquirrh Hills Apartments are slated for completion in late spring 2016. A ground breaking ceremony will be held tomorrow, February 27<sup>th</sup> at 10:00 am and will be followed by a press availability.

“This development represents a \$32 million investment in the Magna Township” said Mayor Ben McAdams. “What has been a long-vacant corner in the community will soon be a new hub for economic activity and a place for young people to live who want great quality of life but who aren’t quite ready to buy.”

- Who: Mayor Ben McAdams, Salt Lake County Township Executive Patrick Leary, Magna Chamber of Commerce, Oquirrh Hills LLC, members of the community
- What: Ground breaking and press availability
- When: Friday, February 27th  
10:00-10:30 am
- Where: 8461 West 2700 South (to the west of Chevron)
