

Using the Wellsteps App Android

1: On the main screen of your phone/device click the Play Store. You may have to set up an account if this is the first time you have used it. You only need to set up an account once.

2: Once in the Play Store, click the magnifying glass icon to search. Type “Wellsteps” into the text area to search for the app.

Next

Look for the Wellsteps icon and click on the app to install

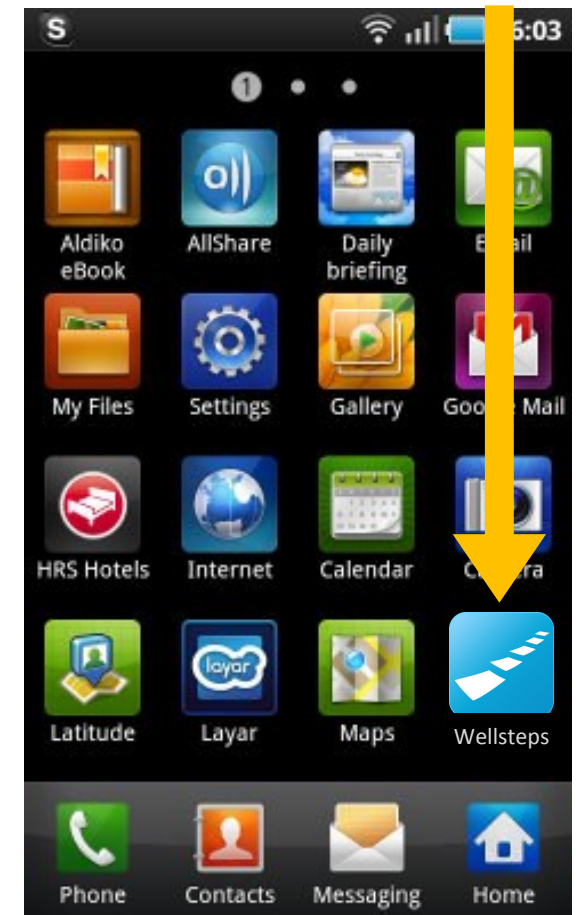

Next

Click Install and it will download to your device

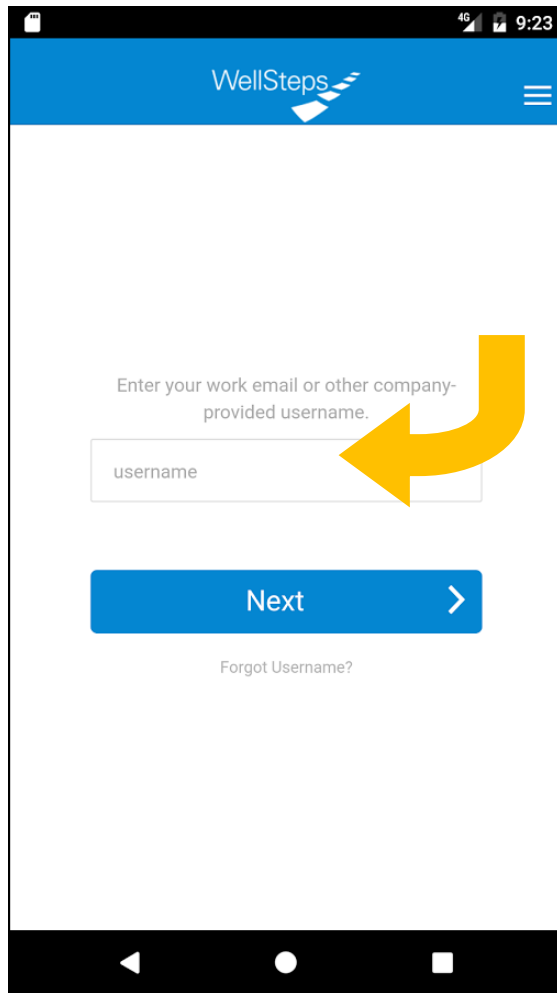

3: Now that it has downloaded to your device, find the Wellsteps icon on your phone screen and click it to open the app.

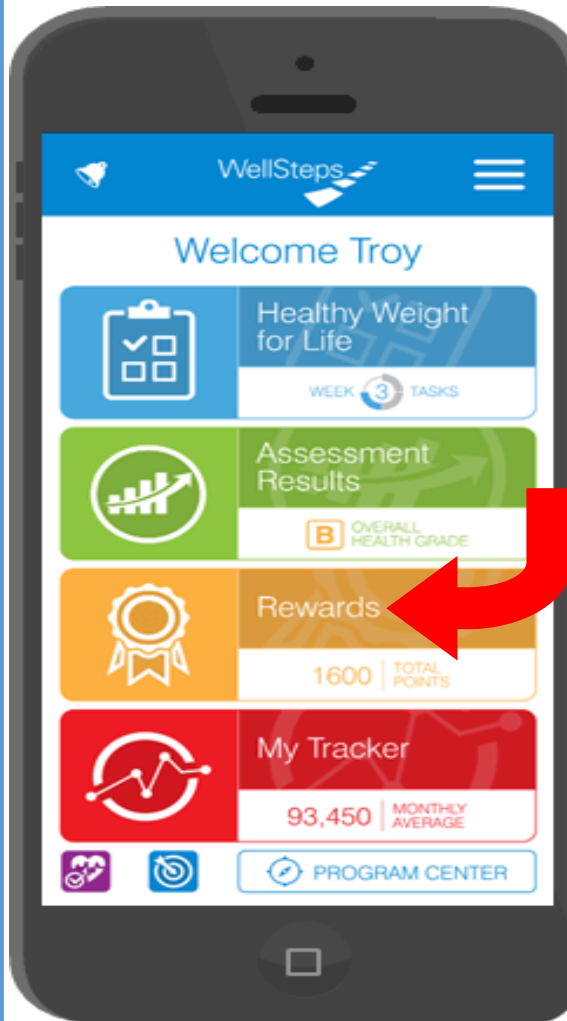

4: Once opened, this screen will appear. Enter your login info:

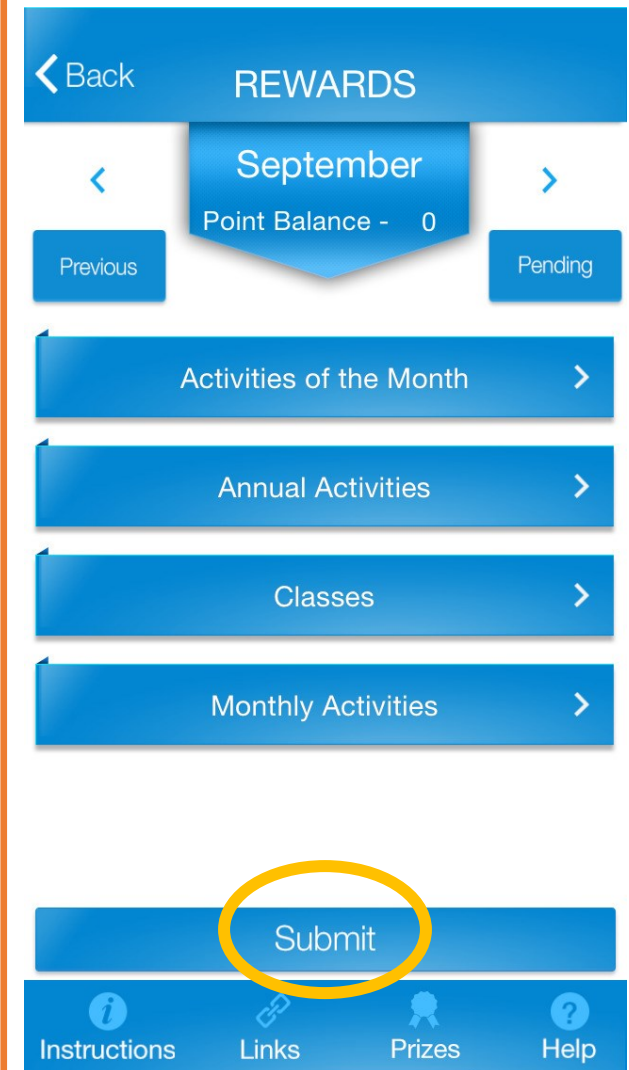

- **Username:** EIN (i.e. 123456 or 1234561 for spouse/adult designee)
- **Password:** first name lowercase (i.e. mary)

5: Once you are logged in you are ready to record your activities each month. You only need to log in one time so each month when you click the icon, it will come to this screen. Click the Rewards tab to get started.

6: Click on each blue tab to check off your activities. You can also use your camera phone to attach proof for your medical exams as well. Be sure to hit submit!

****If the app stops working for you, be sure to check your Play Store to see if there are updates you need to install.***
