

SALT LAKE COUNTY GIS

Contacting the GIS Steering Committee

Interested in Salt Lake County GIS Information:

- ◆ Learn how GIS can benefit your department.
- ◆ Explore what GIS software options are available.
- ◆ Meet the people who are involved in Salt Lake County GIS.
- ◆ Learn about County ordinances regarding GIS consultants.

Is there a GIS-related topic or question that you would like to bring to the GIS Steering Committee?

For more information, please contact Reid Demman, the chair of the GIS Steering Committee, at rdemman@slco.org or 385-468-8240.
