AUTHORIZATION, DESIGNATION AND DEPUTIZATION FOR AMENDING COUNTY CONTRACTS WITH THE STATE OF UTAH FOR THE PURPOSE OF GRANTING TIME EXTENSIONS

WHEREAS, Section 17-53-316 of the Utah Code and Section 2.06A.080 of the Salt Lake County Code of Ordinances grant authority to the Salt Lake County Mayor, as County Executive, to issue executive orders to establish and implement an executive policy and practice; and

WHEREAS, the Salt Lake County Mayor, as County Executive, is charged with the duty of executing all contracts for and in behalf of Salt Lake County, and for executing all amendments to Salt Lake County contracts, unless otherwise provided by statute; and

WHEREAS, because of the volume of contract amendments for the purpose of time extensions for various County Flood Control and Engineering contracts with the State of Utah that the Salt Lake County Mayor is required to execute, it is in the best interest of the County for the Salt Lake County Mayor to designate, authorize, and deputize other individuals to also execute contract amendments for this limited purpose in his stead; and

WHEREAS, the Salt Lake County Mayor has determined that efficiencies shall be realized in allowing designated department heads and division directors to execute time extension amendments to these particular contracts in the Salt Lake County Mayor's behalf.

NOW THEREFORE, I, Ben McAdams, Mayor of Salt Lake County, State of Utah, pursuant to the powers vested in me by the laws of the State of Utah, do hereby order the following:

1. That the Director of Public Works and Division Director of Flood Control and Engineering of Salt Lake County are hereby designated, authorized, and deputized for the limited purpose of executing contract amendments solely for the purpose of granting time extensions in State of Utah contracts with the Salt Lake County Flood Control Engineering Division or Townships Engineering Division.

This Executive Order is effective upon execution.
