About the coach: Max Hunter

Max Hunter is a US Masters levels I & II certified coach. He has coached a variety of competitive swim teams from age group and USA Swimming, to senior and high school teams. He has 11 years of coaching and aquatics instructional experience which translates to a well developed program with an emphasis on technique improvement.

Max is on deck for every workout, and believes that technique development is the key to faster, safer, stronger, and more satisfying swimming. Everyone from total beginners to state record holders and Ironman Finishers are welcome to join us.
