1st Annual Salt Lake County Youth Hockey

Winter Challenge Information

The SLCYH Winter Challenge is modeled after a past event called the Utah Winter Games. The concept behind this event is to provide a chance for all of Utah's Youth Hockey Players to come together, make new friends, and enjoy a fun weekend of hockey.

Divisions offered: Mites (Birth years 2006, 07, 08), Squirts (Birth years 2004 and 05), Pee-wees (Birth years 2002 and 03), U14 Girls (Birth years 2000, 01 and younger) and U15 Bantams (Birth years 1999, 2000, 01).

Available Space: We have enough room for 4 teams in each age division. Mite teams will be 9 players, while squirt, pee-wees, and bantams will be up to 15 players and 1 goalie each.

Games: 4 game guarantee for each team

Schedule: Games will be played Friday, February 13, Saturday, February 14, and Monday evening February 16. Mites will be finished on Saturday.

Competition: The mite division will be non-competitive round robin with all players receiving a gold medal. The squirts, pee-wees, and bantams will play a 3 game round robin, followed by a gold medal and bronze medal game.

Cost: Cost is \$45.00 The cost will include a jersey and medal for each player. \$9.00 extra for non-ISI members

Insurance: This event is covered by ISI (Ice Skating Institute). Participants must either have a year membership with ISI or pay an additional \$9.00 to get a one-time event coverage policy. Players that are registered with the SLCYH House league should already have an ISI membership for 14-15.

Eligibility: This event is open to any hockey player in the age ranges for each age division.

Team Composition: The SLCYH Winter Hockey Challenge is set up as an individual registration event. Once a player signs up, they are asked a series of questions about their playing ability and the teams they have played on recently. SLCYH will then make the teams based on the responses given.

Coaching: Volunteer coaches are needed, please indicate your desire to coach in the player survey.
