Description: This program is designed to teach 3-6 year olds the basic elements of soccer. Each participant will receive a soccer ball that they will need to bring each week as they rotate through different skills and drills. We will then practice these skills in mini scrimmages, as the season progresses. Staff members will help run drills each week.

Parent Involvement: Parent involvement is key to helping participants with drills and skills. Each team will need volunteer parents to help out each week. Volunteer responsibilities include help with basic drills, organizing players on sidelines, keeping the ball in play, substituting players during scrimmages, etc.
