

Salt Lake County Job Description

Air Pollution Control Coordinator

DEPARTMENT: Human Services

DIVISION: Health/2150

JOB CODE: 799 **GRADE:** 014

FLSA STATUS: Non-Exempt

SALARY PLAN: TRD

EFFECTIVE DATE: 09/01/2015

SAFETY SENSITIVE: No

JOB SUMMARY

Performs advanced and specialized work in the Environmental Health Division motor vehicle inspection and maintenance (I/M) program, coordinating undercover audits, enforcement, education, and program management.

MINIMUM QUALIFICATIONS

Bachelor's degree from an accredited college or university in engineering, natural, physical or environmental sciences, or a closely related field, plus three (3) years of full-time experience in an air pollution control program; OR an equivalent combination of training and experience.

Must obtain certification as an I/M Technician within six (6) months of date of hire.

Must obtain certification through the accredited EPA Method 9 Visible Emissions Evaluation Program within one (1) year of hire date.

Licensure in the State of Utah as an Environmental Health Scientist is preferred but not required.

It is mandatory that all new hires receive the Tdap (Tetanus, Diphtheria, and Acellular Pertussis) vaccine before beginning employment or provide a copy of their immunization record prior to starting employment. The immunization record must show the vaccine name and date received.

Upon hire, a two-step Tuberculosis skin test will be required. The first will need to be placed prior to starting employment.

Due to the nature of this position, the successful applicant may be required to pass a pre-employment background check.

A valid Driver's License issued by the State of Utah may be required to operate a vehicle.

May be required to have a vehicle available for work.

ESSENTIAL FUNCTIONS

The following duties and responsibilities are intended to be representative of the work performed by the incumbent(s) in this position and are not all-inclusive. The omission of specific duties and responsibilities will not preclude it from the position.
