AGENDA

Cherylann Johnson called the meeting to order at 2:03pm.

1. Public Comment

No public comment.

2. Approval of July 26, 2017 Debt Review Committee meeting minutes.

Jason Rose made a motion to approve the minutes of the July 26, 2017 DRC meeting as written. Wayne Cushing seconded the motion, and all were in favor.

3. Review and approve amendments to the Huntsman Foundation conduit financing

Blake Wade introduced the Huntsman Foundation amendments, reminding the Committee that this is a situation that initially came to the Committee before the amendments were finalized. The amendments are now finalized, aside from some numbers that cannot be known until later in the bond transaction. The Committee needs to review the amendments prior to recommending them for approval by the County Council. The Huntsman Institute project is wrapping up and the Foundation is now in a position to defease bonds issued as conduit financing through the County. The bondholders agree to the new terms, which include the defeasance of \$40 mil in fixed rate bonds, as well as paying down about \$2 mil of the variable rate bonds with a new repayment schedule for the remaining variable rate bonds. Bondholders have also agreed to extend the term under which the initial index rate for the variable rate bonds will apply.

Craig Wangsgard stated that he has reviewed the amended documents and did not find more than minor changes that needed to be made, which Mr. Wade indicated were being incorporated. Mr. Wangsgard asked

if the resolution included language that the amendments are conditional on the bondholders' agreement to the terms. Mr. Wade confirmed that bondholder agreement is referenced in the resolution, but that the bondholder signatures have not yet been obtained. Mr. Wangsgard will follow up with Mr. Wade regarding the bondholder agreement.

Javaid Majid moved to approve the resolution going forward based on Mr. Wade's presentation and Mr. Wangsgard confirming that it is subject to consent of the borrower and the bondholder. Jason Rose seconded the motion, and all voted in favor.

Mr. Wade and Jason Rose confirmed that the resolution would be on the agenda for Tuesday, September 12, at 4:00 pm.

4. Parameters for the Excise Tax Refunding Bonds

Jon Bronson and Craig Wangsgard have both reviewed the parameters and delegating bond resolution to go before the County Council regarding the Excise Tax Refunding Bonds. Both have made some editing suggestions. Brad Walker of Bank of America/Merrill Lynch notified Mr. Bronson that he would like the underwriter to be listed as Merrill Lynch, rather than Bank of America. Mr. Bronson suggested that the blanks for parameters in the resolution be filled in as follows: not to exceed par amount of refunding bonds at \$30 mil, not to exceed number of years to maturity at 16 years, maximum interest rate at 5.5%, and maximum discount from par at 2%. Mr. Bronson also recommends filling in the blank in section 2f of the resolution with 10 years. Craig Wangsgard suggested that the recommendation of the DRC on this blank should be "no sooner than 8 years and no later than 10 years." Jason Rose confirmed with Mr. Bronson that this resolution should go before the County Council on September 12, 2017.

Jason Rose moved to approve the resolution with the changes suggested in the DRC meeting today. Wayne Cushing seconded the motion, and all voted in favor.

5. Other

No other business.

6. Adjourn

Wayne Cushing moved to adjourn, the motion was seconded and unanimously agreed upon.
