

Playoff Rules 2017-2018

1. Double Elimination
2. Each Team will be given a one minute timeout per game
3. For ties there will be a 10 minute sudden death overtime. Goalies will not switch ends. If the game is still tied after that there will be a 5 player shoot out and if it is still tied then there will be a sudden death shoot. Each team must go through 5 different players before starting over. If a player was in the penalty box at the end of the overtime they will not be eligible to take part in the shootout. The team with the lower seed in the playoffs will shoot first.

How Sudden Death Shootout will work:

The lower seeded team will shoot first and then the higher seeded team. If one team scores and the other fails to score then the game is over.

Championship Games:

There will be no shootout in the championship games. If needed, we will play 10 minute overtimes until there is a winner. Goalies will not switch ends for the overtimes.
