

You are invited to participate in a TRANSPORTATION PLANNING PRINCIPLES WORKSHOP

Who: MSD Planning Commissioners, Councils, General Plan Steering Committees, the Public

When: Thursday, January 30, 2020 – 6:30pm to 8:30pm

Where: Salt Lake County Government Center – 2001 South State – South Building, Room #S1-120 and South Atrium

Objectives:

- Learn about transportation trends and innovations
- Produce a suite of key transportation principles for the MSD
- Produce a suite of key transportation principles that connect with surrounding areas

Background: Principles clarify the overarching values which are to be used and evaluated for all decisions within the Greater Salt Lake Municipal Services District. The planning principles will form the foundation for implementing strategies that require a unified management approach.

Featured Speakers:

Ted Knowlton –

Deputy Director, WFRC

Jon Larsen –

Transportation Director, Salt Lake City
