SALT LAKE
COUNTY CLERK

January 7, 2009

Mr. Jason Yocom
Chief Deputy Clert
Salt Lake County Elections Division

Dear Mr. Yocom,

Attached is a copy of an e-mail I sent in reply to your request for a year end report. I certainly want to be in compliance with law, but I'm not understanding my need to file a financial report when I was not a candidate for election this past November. My last election was held four years prior in November of 2004. However, respectfully, I have attached the necessary reports as requested.

I hereby certify that I have no campaign funds; I have no campaign bank account, and I have not received campaign funds, nor have I spent money on any personal campaign.. I was not up for election in 2008. I filed all required reports four years ago when I was last elected.

I want to thank you for your support and interest in past elections. I've been very impressed with the work of the County Elections Division. I sincerely hope this will clarify my personal situation with reference to elections.

Respectfully,

J. Dale Christensen, President
Jordan Board of Education
and Member
Jordan "West" Board of Education
