Thank you for your prompt reply and help. I appreciate it. I really thought I had done what you instruct so I haven't paid any attention to it. I went just now back to the records on your website. It had an April 2010 report as draft and pending that I thought I had filed. I'm not sure why it hadn't been before. Some computer or web problem? Regardless, I clicked send and filed it and have received the automatic receipt for having done so.

With all that, I wish now to officially dissolve my campaign. Please mark your records as closing my account.

Thank you very much for all your help. I would like to say that I have received good and professional service from your entire office throughout the campaign and its reporting. I also would like to give props to the people who design and maintain your website. I think it is very good.

Paul,

If you are no longer receiving contributions or making expenditures, you may dissolve your campaign at anytime by filing a final report showing a zero balance. Then you can respond to this e-mail that you wish to dissolve your campaign. After we receive that we can mark your campaign as closed.

Thank you,

Pam Tueller
