Subject: Dissolution of a Candidate Campaign Committee

Good Afternoon Pam,

Please accept this email as notice of dissolution of the Elect Mark Crockett Campaign Committee for County Mayor. The campaign account has a zero balance and the final campaign finance report was filed earlier today showing the zero balance. The Campaign Committee is no longer active and contributions are no longer being accepted and all invoices have been paid in full.

If you have any questions or need additional information please feel free to contact me.

Thanks,

Randy J. O'Hara
