### Dissolution of Candidate Campaign

I Shauna Kayleen Whitelock give notice of the dissolution of my campaign S.Kayleen Whitelock running for the Jordan School District School Board in Salt Lake County. Campaign was established on 3/14/12. I served as the only member and contributor to my campaign, aside from .02 cent interest and on 12/11/12 I closed my campaign account and reimbursed myself the remaining \$27.11. At that point my campaign balance became zero. My campaign is no longer active and is no longer taking contributions or making expenditures.
