JUNIOR GOLF CLINICS

Beginning Junior Golf Clinics are designed to teach students the **basic** fundamentals of golf. These clinics are designed as an **entry-level** format and no prior experience is necessary, however clinics may also serve as refreshers for junior golfers who have been exposed to some instruction or have played the game before. Junior golfers will be taught proper grip, stance, posture, and the basic fundamentals of the golf swing.

Junior Golf Clinics are for participants **6-17 years of age**. While some golf clubs are available for use, Junior Golf participants are encouraged to bring their own clubs if they have them. Each clinic will have a maximum of 16 participants.

All Junior Golf sessions are **three days long** and are taught Monday thru Wednesday with Thursdays reserved as make up days in the event of inclement weather. Morning and evening sessions are available but sessions fill quickly so sign up early.

Online Registration To register go [to www.slcountygolf.com](http://www.slcountygolf.com) and click on the Jr. Clinic Registration icon to sign up or come into Meadow Brook pro shop. The cost is **\$50.00** which includes a participation package for each participant.

Registration deadline will be the **Thursday (6:00 pm) prior** to each clinic date.
