Scope and Content

This record series was created to comply with a Salt Lake City ordinance #901, Sections 1602, C.L.U. ("Compiled Laws, State of Utah"), (SLC Code [Chapter 15.24](#), as of 2022), which stated that all lots sold in the City Cemetery be recorded in the office of the county recorder twice a year. The City Cemetery submitted lists of the cemetery plots sold to the Recorder's office. The lists included the name of purchaser and plat, block, and lot number.

Corporate Cemeteries would also record deeds to lots sold in their cemeteries. Cemeteries include Salt Lake City Cemetery, Larkin Sunset Lawn Cemetery (formerly Sunset Lawn Memorial Corporation, and Burg Memorial [in 1980]), Midvale City Cemetery, Sandy City Cemetery, Aultorest Memorial Park (now part of Larkin Sunset Lawn), Wasatch Lawn Memorial Park and Mortuary, and Memorial Gardens of the Valley.

History Note

The government of the Territory of Utah created the office of Salt Lake County Recorder in 1852. The recorder has custody of and is to keep all books, records, maps, and papers required by law (Utah Code Annotated, 1999, Title 17, Chapter 21, Section 1). The operations of the county recorder are all specified and required by state law and have changed little over time. The recorder is required to record all documents submitted by the public which are qualified to be recorded; to maintain an up-to-date and accurate set of maps (or “plats”) which show the current ownership of every tract of land in the entire county; to maintain indexes to all recorded documents; and to perform all functions of a clerical and technical nature to accomplish that objective.
