

## Friendly Caller Program

---

This program provides an important service to help prevent isolation and loneliness in homebound seniors. If you like to visit and are looking for an opportunity to volunteer while staying safe at home, please reach out for more information and to get started.

The Friendly Caller Program is currently recruiting volunteers to help connect with older adults in the community. If you can volunteer for 1-2 hours a week from your own home, please contact Cyd Goodman at 385-377-7282 or [cydgoodman@slco.org](mailto:cydgoodman@slco.org)
