

Medicare Open Enrollment runs October 15 - December 7th

Make sure you have the right plan for your health care needs.

Plans change every year. So can your health needs.

- Even if you are happy with your current plan, it may be changing costs, coverage, or both for 2020.
- Read the Annual Notice of Changes mailed to you by your health plan.
- Check the plan formulary—the list of covered prescription drugs—to make sure yours are covered.
- Look for plans that best meet your changing health, life, and financial needs.

Now it's time to consider your options.

This is your chance to look at all of your Medicare plan choices for the year ahead- like prescription drug plans, Medicare Advantage and supplemental (Medigap) plans.

It's worth a look.

You may find better coverage, extra benefits or lower costs. It's worth taking the time to explore your options while you can.
