ANNOUNCEMENTS - PUBLIC COMMENTS

BUSINESS ITEMS

- Report on Jordan River Parkway Trail goathead weed clean-up
- UDOT Route 71 (900 East) overlay project in Salt Lake County from 900 East/Van Winkle to 5900 S

- County Parks and Recreation Report – Walt Gilmore
 - Wasatch Blvd: recent chip seal
 - Bike lane reconfiguration on the east side of Wasatch Blvd on the steep grade south of the Big Cottonwood Canyon intersection to widen the shoulder. Will this section be re-stripped to fix the inadequate width of the bike lane on the west side? Can the re-stripping be scheduled in conjunction with a chip seal project in the near future?
 - Roper Yard (2100 South) ped/bike bridge connections for recently completed UTA bridge.
 - Parleys Canyon Bicycle Trail Feasibility Study
 - Pratt Trail report

- Engineering Report - Frederick Lutze
 - Status report on bike route facilities recommended for 2011 (checklist)
 - Chip seal review

- Planning and Development Report – Spencer Sanders
 - County RFP for Bicycling Best Practices
 - County Cooperative Plan Map update

- *Robert Burton, *Unified Police Department*

- Mayor's Office – Colin Smith
 - Presentation of new By-Laws for consideration
 - Emigration Canyon issues
 - October 8th Share the Road event
 - Signage: “Single File Only” and “Share the Road”
 - UDOT “Bicycling Rules” handout

- Bike light program
- Canyon Transportation Study
