

Salt Lake County Election Division Office Visits by Appointment Only

Due to the State of Utah and Salt Lake County COVID-19 Emergency Public Health Orders, the Salt Lake County Election Division is open by appointment only. We are maintaining day-to-day operations and processing registration forms online at vote.utah.gov. (A Utah Driver License is required to use the online registration tool.)

You may also register to vote with a paper/mail-in registration form which is available at: www.got-vote.org, or a form can be mailed to you upon request. You can receive general Information, purchase map orders and/or voter lists by phone at 385-468-7400 or email got-vote@slco.org.

If you need in-person assistance, please call 385-468-7400 to schedule an appointment. You must wear a facial covering to an appointment. If you come into the office without a facial covering, one will be provided for you. If you need to drop off registration forms, petitions or other paperwork, you may place them in our Ballot Drop Box located east of the South building at the north edge of the parking lot.
