

Running out of things to do with your kids? Check out these

FUN FAMILY ACTIVITIES

GET COOKIN' Get the whole family involved in the cooking process. Have the kids help wash, chop, mix or mash. It's an easy way to get everyone to unplug and connect with one another!

CHALK IT UP! Not only is chalk great for drawing pictures & playing hopscotch, but it can also be used to create your very own life-sized board game! From Twister to Candyland your options are unlimited.

SPICE UP STORY TIME Instead of reading the same stories over & over again have a celebrity help you out! Online you can find numerous recordings of your favorite stars reading their favorite children's story.

GO CAMPING Embrace the great outdoors from the comfort of your very own backyard! Pop up a tent, have a picnic, make a "fire" out of flashlights and tell all of your favorite ghost stories.

MOVE IT MOVE IT! Working out as a family is a great opportunity to bond with one another & allows you to build healthy habits that will last a lifetime. Go for a bike ride, try an online Zumba class, or play a friendly game of tag... the opportunities are endless!

EMBRACE THE MAGIC OF DISNEY

Who doesn't love Disney?! Disney's Magic Moments provides you with numerous Disney inspired crafts, recipes, and stories that the whole family can enjoy!
