CREDIT POLICY DISCLOSURE

The following terms and conditions apply to all open credit accounts with the Salt Lake Valley Landfill.

- 1. Bonding:** Before any credit account is opened, the user of the account shall post a Penal or Cash Bond equal to three times the average monthly charges, or a minimum of \$1,000.00 whichever is greater. During semi-annual reviews of accounts, we may ask the bond to be increased. Credit extended may only be used to charge disposal fees or to purchase facility products. The Cash Bond deposit will be held in an escrow account. Payment can be in a form of money order, cashier's check or credit card.
- 2. Credit Limits:** Credit limits are set at 80% of the bond amount. Management reserves the right to refuse additional charges when account's credit limit has been reached. In no case shall total charges exceed the bond amount. Charges may be refused until the account is brought into terms.
- 3. Terms:** Terms are "net 30 days" and total of charges is less than the credit limit.
- 4. Late Fee:** A late fee of 1 ½% per month (18% annually) will be charged for any amount on any account that goes unpaid beyond 30 days past the due date.
- 5. Delinquent Accounts:** Any account shall be considered "delinquent" and payable in total when any charges on that account are unpaid 90 days past the due date. Accounts may have their "charge" privileges suspended until the account is brought into terms. Management reserves the right to "call" on the bond of any account when any charges are unpaid 90 days past due. Account with amounts owing over 90 days past due may be turned over to the County Attorney's Office for collection. Firms or individuals whose accounts are declared "delinquent" are responsible to pay any and all amounts owing, to include service charges and collections fees. A "delinquent" account may be reinstated when all back charges have been paid and a new bond provided.
