

## TAKE THE 20% CHALLENGE.

How can you increase your recycling by 20%? Take a few extra moments to see if the item you're about to throw away is recyclable. If it's paper, plastic or metal, recycle it! You can also find ways to recycle while you're not at home – just put those plastic bags and water bottles in a blue bin. Remember: when in doubt, don't throw it out. To learn more and take the challenge, visit [recycle.slco.org](http://recycle.slco.org).
