

20% CHALLENGE

Are you up for it?

Recycling is something everyone can do, and collectively it makes a big difference. Here are a few easy tips to help!

- **Recycle** all your paper, plastic, and metal in your blue bin.
- **Take** your plastic bags back to the grocery store.
- **Fill** a separate, easy-to-haul container for all your glass bottles and jars. (See Glass Drop-Off Locations)
- **Add** a recycling bin next to each waste bin in your home.
- **Clearly** label each recycling bin for guests, kids, or anyone forgetful.
- **Hold** a household meeting--go over recycling systems so everyone is on the same page.
- **Don't** forget to:
 - Find a drop off location for your Household Hazardous Waste.
 - Sort the garbage from your car--it's not all trash!
 - Visit our recycling website to learn which items belong in your recycling bin and how to dispose of other hard to recycle items.

20% CHALLENGE

Are you up for it?

Recycling is something everyone can do, and collectively it makes a big difference. You can still do your part if you live in a Multi-Family Complex, here are a few tips to help!

- **Use** our [Recycling Drop-Off Location Map](#) to find drop-off sites near your home or place of employment--decide what material(s) are more convenient for you to recycle.
- **Don't** forget to:
 - [Check](#) if your nearest school has a paper/cardboard recycling bin.
 - Take your plastic bags back to the grocery store.
 - Find your nearest [glass drop-off location](#).
- **Add** a recycling bin in a designated spot in your home.
- **Clearly** label the recycling bin for guests, kids, or anyone forgetful.
- **Hold** a household meeting--go over recycling systems so everyone is on the same page.
- **Find** a drop-off location for your [Household Hazardous Waste](#).
- **Visit** our recycling website to learn how to dispose of other [hard to recycle items](#).
