From the LCC EIS website: UDOT received 14,000+ public comments during the initial Draft EIS comment period and from the Draft EIS Revised Chapter 26 Section 4(f) & 6(f) Evaluation comment period. These comments were thorough and detailed, requiring UDOT to take the time necessary to conduct further evaluation and provide responses. UDOT anticipates that the Final EIS will be released this summer (2022). The Final EIS will identify a single preferred alternative to improve transportation in Little Cottonwood Canyon. Following a 30-day public review period after the release of the Final EIS, UDOT will identify the selected alternative for implementation in a separate Record of Decision (ROD) in the winter of 2022.

**WFRC's Goals, Budget, and Unified Planning Work Program** – Remember to comment and/or provide input on WFRC's FY23 Goals, Budget, and Unified Work Program (UPWP)

WFRC is in the process of developing its Goals, Budget, and Unified Planning Work Program (UPWP) for the fiscal year July 1, 2022 - June 30, 2023.

The WFRC Budget Committee and Council reviewed these materials and authorized their release for review by the COGs and the public. WFRC is soliciting any input or questions that you may have prior to the WFRC Council taking final action at its regular meeting on May 26. As you know, the [members](#) of WFRC are principally appointed from the COGs in the region.

Here is a link to [WFRC's draft Goals, Budget and UPWP](#) documents for FY23. The materials include a memo summarizing these items, as well as a list of the goals, tables with budget information, and a detailed summary of the UPWP.

WFRC welcomes any questions or feedback that you may have. If there are any comments or questions, please get in touch with me or other members of the WFRC team:
