Instructions

Fill in Adventure Bingo squares after you complete each square's challenge during a ZAP Virtual Adventure event. You can choose one square to fill per event. Fill in five Adventure Bingo squares in a horizontal, vertical, or diagonal line for a Bingo, or fill in all squares on the board for a Blackout... your choice!

The list of Virtual Adventure events can be found at www.zapisyou.org/virtualadventure

For example: Watch a play from the ZAP Virtual Adventure list and mark off a related square you haven't completed yet, like "Watch a Performance" or "Watch Actors Perform." The event might apply to multiple squares but remember, you can only fill in one square per event!

I Have a Bingo!

Enter to win giveaway prizes by submitting a fun picture of yourself with your completed Bingo or Blackout board to ZAP. Go to www.zapisyou.org/virtualadventure and click the "Virtual Adventure Giveaway" link for instructions!
