

2020 Old Mill Golf Course Junior Golf Clinics

Age: 6-17 Fee: \$50.00

Deadline for registration: *Thursday (6pm) prior to start date.*

Beginning Junior Golf Clinics are designed to teach students the Basic Fundamentals of the golf swing, etiquette, and rules. These clinics are designed as an entry-level format and no prior experience is needed. However, clinics may also serve as a refresher for junior golfers that have been exposed to previous instruction or have played the game before. Junior golfers will receive instruction on the grip, stance, posture, alignment, ball position and other skills of how to strike a golf ball.

Preferred ages of all Junior Golf Clinic attendees is 6-17 years old. If a younger junior students can hold attention and handle a club in a safe manner, the age limits can be waived. And while some golf clubs are available for use, *Junior Golf participants are encouraged to bring their own clubs if they have them.*

The 3-week sessions will be held during the months of June-August and are available on Tuesdays, Wednesdays, or Thursdays. 3-week sessions better suit an intermediate junior player with prior exposure to the game of golf and hopes to serve a more in-depth understanding of the full swing, short game, course management, rules & etiquette.
