"I had questions about my new blood pressure pills, so I called the Home Delivery Pharmacy. An Intermountain pharmacist explained possible side effects, how to manage them, and when to call the doctor. It's great having an expert I can call."

"I was pleasantly surprised how quickly I received my medication. It was great."

Intermountain Home Delivery Pharmacy

ALL THE MEDICATIONS YOU NEED
CONVENIENTLY DELIVERED TO YOUR HOME

Intermountain Home Delivery Pharmacy

QUALITY ASSURANCE

We have highly trained pharmacists and pharmacy technician staff as well as state-of-the-art technology to ensure your medications are filled accurately. Every time we fill your medication, we check for allergies, drug interactions, and other potential problems to ensure your safety.

PERSONALIZED SERVICE

We deliver your medications to your home and work with your current pharmacy and doctors to move your prescriptions to the Intermountain Home Delivery Pharmacy.

Pharmacists and pharmacy technicians

are available to answer questions about your medication therapy, pricing, or any medication-related concerns that you have.

NO SHIPPING CHARGES

We ship your medications free of charge. Orders will arrive in unmarked, tamper-resistant packaging.

CONVENIENCE

We can send a 90-day supply for many medications so you don't have the hassle of filling your prescriptions every month.

It's easy to order refills — by phone, online, or via Health Hub, our convenient mobile app. You may also call the pharmacy directly to speak with someone about the medications you need.
