

Health Savings Checkup

Set a course for living well and retiring well.

Good health is a valuable asset.

Good health is also a smart way to lower your costs in retirement.

Try the Health Savings Checkup from Optum. You'll be able to find out how much good health is worth to you. This tool gives you an estimate of your retirement health care costs. You'll also get ideas to help you stay healthy, spend less and save more.

The Health Savings Checkup is another benefit of having a health savings account (HSA) from Optum Bank[®], Member FDIC. Simply access your account online to begin your checkup today.

Start by answering a few questions.

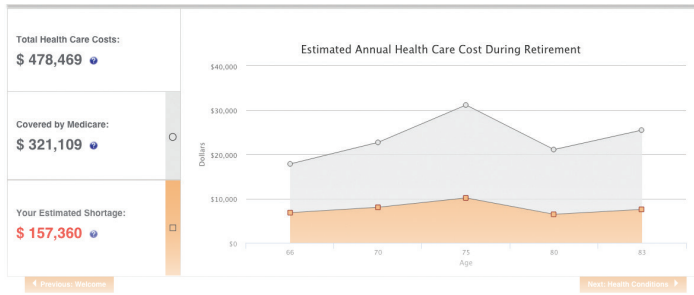

Take a few minutes to answer some basic questions about yourself, your retirement goals, your health and your HSA activity. You can also add a spouse to your scenario to get an estimate on a household basis.

Did you know?

The average couple is expected to need \$260,000 to cover health care costs in retirement.*

Make sure you're prepared for retirement. The Health Savings Checkup can help guide you toward better physical and financial health. Smart planning today can help you tomorrow.

* Fidelity Investments, 2016.

You'll get a picture of your potential retirement health care costs.

You'll see where you are today and what adjustments to your lifestyle and/or savings could do for your future.

For example, see what could happen if you:

- Quit smoking
- Reached a healthier weight
- Lowered your cholesterol
- Managed your diabetes
- Lowered your blood pressure
- Maximized health savings account contributions

You'll get a personal action plan.

Your action plan will suggest steps to:

- Live a healthier lifestyle
- Lower future health care costs
- Maximize your health savings

You'll get help implementing your plan.

Staying healthy and retiring well are big goals. Most people need a little help and encouragement along the way.

Along with your action plan, you'll receive a phone number to call where we can help connect you to resources to help you save more, spend less and stay healthy.
