

Goal Wheel - Work

- **Team:** How do you feel about your team, collaboration and support?
- **Supervisor:** How successful are you in your role as a supervisor? If you are not a supervisor where are you in the process of getting there?
- **Career Development:** Are you where you want to be in your career path?
- **Skills:** Are you proficient in the skills required for your job? Are there new skills you would like to develop?
- **Work/Life Balancer:** Are you happy with your work/life balance?
- **Results:** Are you meeting your project and program outcomes? Are these results meaningful?

Work - Pick one area: _____

Set your intention:

Do you need any specific skills?

What is your process?

What is your measurable outcome?

What are the barriers to success?

What are the specific steps?

Accountability?
