

Supervisor Credit Program Six Months Sponsor Assessment

Performance Assessment

This assessment should be completed by the agency sponsor six months into the assignment.

In 500 words or less, please evaluate the employee's performance in the Supervisor Credit Program, what they have learned, and how the learning experience justifies the continuation of the program through the next six months.

- The employee is meeting the requirements of the Supervisor Credit Program and should continue in the program
- The employee has been unable to meet the requirements of the of the Supervisor Credit Program and the program should be discontinued
