

Community Access to Technology Resources

The Salt Lake County (SLCo) Community Access to Technology (CAT) Labs will be closing on

November 13th, 2015.

We thank our patrons for your support over the years. As SLCo makes this transition, we want to provide resources in the community where patrons can find similar services and classes.

Computer and Internet Access

Salt Lake County Libraries

SLCo Library Services offer a variety of free services for patrons of all ages; services offered include free computer access, Book-a-Librarian, early literacy programs, and career assistance. Library card needed. Contact SLCo Library Services for locations, hours and available classes at scolibrary.org, or call **(801) 943-4636**.
