Classification of Voter Records As Public Information
(How to make your information private)

Some of the information you provide on this form is public information as required by Utah state law. Your driver license or identification card number, social security number and email are confidential. A voter's date of birth can be accessed by government officials, government employees, political parties, health care providers, insurance companies, financial institutions and other qualified persons.

If you believe that disclosure of any information contained in your voter registration form to a person other than a government official or government employee is likely to put you or a member of your household's life or safety at risk, or to put you or a member of your household at risk of being stalked or harassed, you may apply to the lieutenant governor or your county clerk to have your entire voter registration record classified as private. Submit your request via email to GOT-VOTE@slco.org
