IMPORTANT INFORMATION REGARDING YOUR PRIMARY ELECTION BALLOT

Dear

SUBJECT: Primary ballot options for unaffiliated voters

You are receiving this letter because you reside within the boundaries of the Third Congressional District and your voter registration record indicates you are not affiliated with any political party. The Governor called a Special Election to fill the seat being vacated by Congressman Jason Chaffetz. The number of candidates seeking the Republican Party nomination requires a Primary Election, which will be **held in conjunction with the Municipal Primary Election on August 15, 2017.**

The Republican Party requires voters to affiliate with their party to participate in their Primary Election. If you wish to affiliate with the Republican Party and vote in its primary election - or if you wish to affiliate with any other political party at this time - you may do so by completing the form below and returning it by mail or email to our office by July 13, 2017. NOTE: The closed primary rules only pertain to the partisan primary election. Non-partisan municipal elections and the November General Election are open to all eligible registered voters.

The 2017 elections will be conducted mainly by mail. If you choose not to return the attached form, your status will remain "unaffiliated" and a ballot containing the municipal contests applicable to your precinct will be mailed to your current address the week of July 25th.
