RE: *SLCPD Officer Fox's Use of Deadly Force*
Incident Location: 1002 South State St., Salt Lake City, Utah
Incident Date: August 13, 2017
UPD Case No.: 2017-130290
SLCPD Case No.: 17-149617
D.A. Case No.: 2017-980

Dear Special Agent Barnhart:

The Salt Lake County District Attorney's Office, Sim Gill, Salt Lake County District Attorney, requests the Federal Bureau of Investigation to investigate the circumstances surrounding the death of Patrick Harmon in the above referenced matter.

Last week, as outlined in our October 4, 2017 letter to Salt Lake City Police Department Chief Brown and UPD Sheriff Rivera, we informed Chief Brown that the D. A.'s Office declined to file criminal charges against SLCPD Officer Fox for his use of deadly force. A copy of that letter is enclosed for your reference.

We invite the FBI's review of the investigation and our review and conclusions as set forth in our October 4, 2017 letter. Additionally, we offer our assistance into any FBI investigation into matters other than our screening of state criminal charges. In order to be thorough, and given the seriousness of the case and the considerable public interest in the matter, all issues must be completely examined to preserve the public's trust in the criminal justice system and ensure the right measures are taken in this case.

Very Truly Yours;
/S/
Sim Gill,
Salt Lake County District Attorney
