

Mick Riley Golf Course

2017

Junior Golf Camps

Junior Golf Camps are designed for junior golfers who wish to advance beyond the beginning fundamentals of the game of golf and have already been exposed to the basic mechanics of the golf swing.

Junior Golf Camps begin on Mondays and last four days. Sessions begin at 10:00 am and are four hours long with two hours of instruction and two hours of playing time with lunch served in between. Upon completion, junior golfers should have the fundamental skills necessary to play and enjoy the game of golf.

Camps will be limited to 30 Campers. A student/instructor ration of 6-1 will be maintained at all camps. **Junior Camp participants must be at least 8 years old, have access to a set of golf clubs, and completed at least Two Junior Golf Clinics before they can enroll in a Junior Golf Camp. To maintain the highest quality of the learning experience there will be no exceptions without an Instructor’s approval.**

Junior Golf Camps are designed for junior golfers that have progressed beyond the basics and are looking for more of a challenge including the golfer who desires to play a higher level, which might include State tournaments and/or High School golf.

Junior Golf Camps emphasize golf at a competitive level and will include instruction in: Course Management, Rules, and Etiquette on the golf course. Campers are expected to play 9 holes on the Executive course each day under competitive situations.

Cost is \$150.00 per camper, which includes: a tee gift, golf ball, range balls, lunch, handouts, green fees, and 16 hours of supervised instruction from a PGA of America trained golf instructor.
